October 8, 2019

**To** Board of Education (Public Meeting)  
**From** Ray Velestuk, Secretary-Treasurer/CFO  
**Re** **Policy 7 – Board Governance and Operations**

---

## **RECOMMENDATION:**

THAT the Board of Education approve revised Policy 7 – *Board Governance and Operations*, for implementation, as presented.

## **BACKGROUND:**

On June 19, 2018, the Board updated Policy 7 to incorporate changes made to the *School Act* related to trustee elections. Unfortunately changes to section 9 Voting were inadvertently not included in this change.

Upon review of Policy 7, Section 9, page 9, the proposed changes are brought forward to make this section consistent with the previous changes.
