

Staff Report

October 3, 2017

To Board of Education (Public Meeting)

From Kevin Godden, Superintendent/CEO

Re **Student Presentation: ASIA Sumas Mountain - Halloween Project**

This report is being presented to the Board for information.

BACKGROUND:

For their Halloween Project this year, students from ASIA Sumas Mountain are creating an Escape Room within the school. Escape Rooms are a physical adventure game in which players solve a series of puzzles using clues, hints and strategy to complete the objectives at hand. Players are given a set time limit to unveil the secret plot which is hidden within the room.

Combining creative writing, drama, digital media (and more), students have been involved in the creation and development from the very beginning. Along with their teacher, two grade 12 students will present their learning and project process.
